Art Fellowship Application

OBJECTIVES

The National Greeley Art Exhibition (NGAE) offers fellowships to encourage the arts in Weld County and to promote artists in the enhancement of their individual skills and artistic aspirations. All applications for Fellowships must be completed and submitted to **The National Greeley Art Exhibition, P.O. Box 1972, Greeley, CO 80632** no later than **Friday, September 6th, 2019**.

ELIGIBILITY

In 2019, the **NGAE Art Fellowships** will be awarded at a minimum of \$500 each.

These **fellowships** will be granted to working artists who are **over 18 and residents of Weld County** seeking to enhance their art career. The fellowship provides funds for specific projects, materials, supplies and/or support services that will help develop the artist's growth in their field. All artists who have not received NGAE scholarships/fellowships within the last three years are eligible to apply. The **fellowships** will be awarded on a competitive basis; chosen by a Panel, appointed by the Chairperson of the NGAE, and comprised of at least three diverse members of the NGAE Board and/or Volunteer Committee. Applicants must complete the NGAE Application form, submit an electronic portfolio of 3 to 6 photos of examples of their work, and provide a statement identifying where and how the money will be spent. See checklist below for details.

ACCOUNTABILITY

Fellowship recipients must submit evidence within one year that their award was used as described in their application. All recipients are requested to give back to NGAE by volunteering at the next year's event and providing written communication outlining how this award helped you in your art development.
